2015 World Chambers Competition

Congratulations!

Your Chamber has been selected as a finalist!

Best CSR project category!

Dear Mr Holden,

Congratulations on making it through the first round of judging of the 2015 World Chambers Competition.

A total of 79 applications from 39 countries were received overall this year, breaking all our past records, with this category being very competitive.

Our judges had a hard time in reviewing this category, impressed by the great variety of projects. Following a tally of the results our finalists in the Best corporate social responsibility project category are:

- **Santa Cruz-Cainco Chamber of Commerce and Industry (Bolivia)**
- **Finland Chamber of Commerce and Industry (Finland)**
- **Burnaby Board of Trade (Canada)**
- **Asharquia Chamber of Commerce (Saudi Arabia)**

The next important step in the Competition will be your presentation at the 9th World Chambers Congress in Torino, 10-12 June 2015. All finalists will present their project to our panels of judges during the different workshop sessions.

The workshop session for the Best corporate social responsibility project will take place on **Thursday 11 June at 16:00-17:30**. Presentations will be 10-12 minutes, with judges and the audience given the opportunity to ask questions.

The winners will be announced during the Congress Gala Dinner on 12 June at the World Chambers Competition awards ceremony.

We would appreciate if you could confirm with us as soon as possible who shall be making the presentation for your chamber. In addition, we do require all PowerPoint presentations from our finalists to be sent to us by **20 May 2015**.

For all questions you have on the World Chambers Competition, please contact Alexandra Jercaianu (alexandra.jercaianu@iccwbo.org ; Tel: +33 1 49 53 29 54).

Congratulations on this achievement and we do look forward to seeing you in Torino!
