Community Beautification Efforts
Gaining Momentum

What began as an initiative to increase tourism has become a rapidly growing community pride movement as individuals and businesses join forces to beautify their communities and make Tehama County a better place to live and do business. Kicked off by the recent Cleaner Greener Red Bluff event, momentum is building as people undertake community improvement projects on their own.

Last April, the Tehama County Branding Project held a Seeds of Opportunity Summit to identify areas of opportunities. The meeting generated a giant to do list, and community cleanups were at the top of the list. The Cleaner Greener Red Bluff event was one of the outcomes from that meeting.

Organizers hoped for 100 people to attend the Cleaner Greener Red Bluff event. They were amazed when at least 300 people arrived ready to pitch in and spruce up the town. “The turnout was greater than we could have imagined, and we were able to accomplish much more than we thought possible,” said organizer Sean Rix.

The volunteers cleared brush, picked up trash, painted over graffiti, and replanted several downtown planters. When the day was over, they took spruced up the downtown River Park, Antelope Boulevard from Main Street to Rio Street, and Main Street from Luther Road to Dog Island Park.

According to Rix, the downtown park clean up generated a 10-foot high pile of brush and debris that filled the lower parking lot. It took several dumpsters to haul away the brush. Rix also estimates there were also 300 bags of trash collected on Main Street alone.

“We couldn’t have accomplished as much if it wasn’t for all the volunteers and groups such as the Junior Marines, Probation Department, and the Mercy High Foot ball team pitching in. They were amazing. Nor Cal Tree company trimmed and mulched branches. Impressive Lawn Care provided assistance as well.”

“People are realizing that they have a stake in the future of Tehama County, and aren’t sitting around waiting for others to do the work anymore,” said Rix. “People are rolling up their sleeves and getting things done, which is inspiring us to do even more.”

Since the initial Greener Cleaner event, several people have taken the initiative to undertake other beautification projects and are posting their efforts on Facebook. Rix hopes people will continue to post photos as they improve their neighborhoods and Tehama County landmarks. “The more photos that are posted, the more pride will be generated and the more inspired others will be to join in the beautification movement. Rix encourages everyone to post photos of their cleanup efforts to the Cleaner Greener Red Bluff Facebook page.

Individuals don’t win, teams do
~ Sam Walton

The theme of our annual installation dinner was “Together We Can”. Thanks to everyone who was able to attend and congratulations to our winners of the Gene Penney, Chamber Spirit, Business of the Year and Beautification awards. We hope a great time was had by all. Together, working as a team, I am certain we can make this a very successful year at the Chamber and in our community.

The Chamber office has been very busy with the Monster Truck ticket sales, Installation Dinner, Saturday Farmers Markets and many community meetings! Beef ‘N Brew was a wonderful event. If you weren’t there, you really missed out on a fun event. It’s always awesome to get outside, stop by the wonderful stores downtown, visit with friends and listen to some great music. Who wouldn’t want an event like that to happen several times a summer? Let’s make it happen!

I also hope you had a chance to stop by the Chamber booth at the Fair. We partnered up with the Fourth of July committee to help with fundraising for next year’s show. It’s up to you, the community, to decide where you want fireworks in 2013-the River Park or the Fairgrounds. For a small donation, you can make your choice known. The location with the most votes wins. Please don’t hesitate to call me if you’d like to be involved in this committee. Fireworks won’t happen unless more people get involved. Together we can make this happen!

October Business of the Month: Julia’s Fruit Stand

October’s Business of the Month is Julia’s Fruit Stand. The Red Bluff-Tehama County Chamber of Commerce is pleased to have the opportunity to recognize Julia’s for this business’s contributions to our community. The nomination we received was from a customer that will shop there once a week during the “fresh vegetable season.” The customer stated, “Julia’s offers quality products, excellent customer service, as well as supports the community year round through sponsorships and donations to local organizations.” What community could ask for more from one of their local business. Julia’s Fruit Stand is a great asset to our community. They support the local community but also help promote our area to those driving through by offering great produce and customer service. Contragulations to Julia’s Fruit Stand for being selected as October's Business of the Month.

If there is a business in Tehama County that you feel deserves this recognition, please submit a nomination form. The forms can be found on the Chamber's website at www.redbluffchamber.com or at the Chamber's office at 100 Main St., Red Bluff. The person that submits the winning nomination will receive a $25.00 gift certificate courtesy of the Red Bluff Daily News.
